

Fascination of Plants Day May 18th 2024

**Plant Science ✧ Agriculture ✧ Forestry ✧ Plant
Breeding ✧ Biodiversity ✧ Nourishment and
Nutrition ✧ Plant Protection ✧ Environmental
Conservation ✧ Renewable Resources ✧**

Everybody is welcome to join this initiative, which started with extraordinary success in May 2012 and continued to grow across the world from 2013 to 2022.

We invite YOU to organize around the 18th May 2024 a fascinating and engaging activity related to plants, attracting and interacting with the public, open to all the family. Share and discover the latest state-of-the-art research and breakthroughs in the plant science world and explore the new **potential applications** plant science can offer.

To join the initiative along with **schools, farmers, producers, scientists, media** and policy makers contact your National Coordinator to assist you with the organization of your events!
